## Work Experience

### web developer • SAT Company

March 2021 - Present

I have the necessary experience to build web applications using **asp.net** core

I have worked on more than one project, including a business presentation.

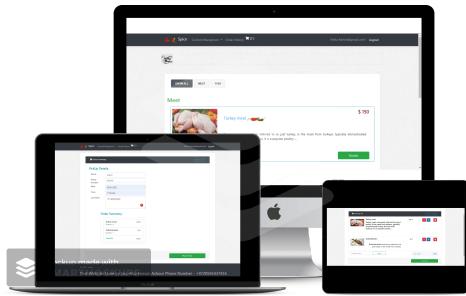

Website link <http://portfilyou.somee.com/> And a website for a restaurant that offers its services in the form of delivery

Link to the website <http://spicedelevary.somee.com/> I have created: more than one website API

<https://github.com/AlaaHassanAshour/CMS> I trained at an SAT company and worked with them to create a website that displays the news that is happening in Jerusalem.

Link to the website <https://yabous-alquds.com/> I am looking for a job or training to develop my skills. I have a passion for learning. I hope to get what I want.

## Projects

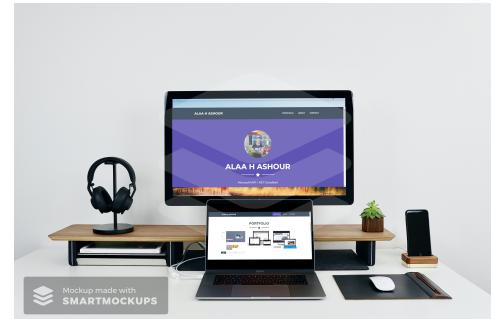

### Spicy

It is a website for a restaurant that provides its services in the form of delivery through which the user can browse the meals and buy the appropriate meal.

website link

<http://spicedelevary.somee.com/>

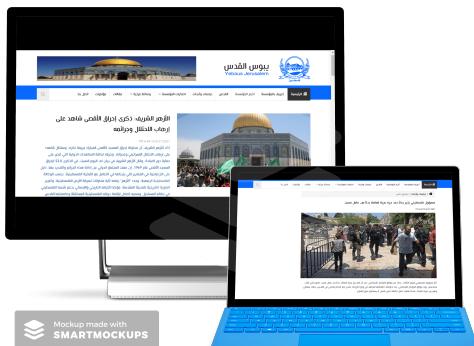

### portfolio

A site to display my own work responsive to all screen sizes.  
This site was designed by  
HTML, CSS, bootstrap, js, ajax  
and then programmed by  
C#, asp. Net core

link website

<http://portfilyou.somee.com/>

### يبوس القدس

موقع بوابة القدس وهو موقع يهتم بالاحداث التي تحصل في فلسطين عامة وفي القدس خاصة

كما انه متواجد مع جميع الشاشات
